

cl_nav2z::CbTrackPathOdometry
::onEntry

```
graph LR; A[cl_nav2z::CbTrackPathOdometry::onEntry] --> B[cl_nav2z::CpPose::freezeReferenceFrame];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'cl_nav2z::CbTrackPathOdometry::onEntry'. The right box is gray with a black border and contains the text 'cl_nav2z::CpPose::freezeReferenceFrame'.
