

cl_ros2_timer::CbTimer
::onEntry

```
graph LR; A[cl_ros2_timer::CbTimer::onEntry] --> B[cl_ros2_timer::CbTimer::onClientTimerTickCallback]
```

A diagram showing a call from the `onEntry` function to the `onClientTimerTickCallback` function. The `onEntry` function is represented by a white box with a black border, and the `onClientTimerTickCallback` function is represented by a gray box with a black border. A blue arrow points from the `onEntry` box to the `onClientTimerTickCallback` box.
