

```
boost::statechart::  
event< EvCountdownEnd  
< TReactorType, EmptyObjectTag > >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains C++ code for a Boost.Statechart event. The bottom box is gray with a black border and contains C++ code for a specialization of that event. A blue arrow points from the bottom box to the top box, indicating that the bottom type is a specialization of the top type.

```
smacc2::state_reactors  
::EvCountdownEnd< TReactorType,  
TReactorTag >
```
