The diagram illustrates a mapping from two source functions to a single target function. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'cl_nav2z::CbPauseSlam::onEntry' and the bottom box contains 'cl_nav2z::CbResumeSlam::onEntry'. On the right, there is a gray rectangular box with a black border containing the text 'smacc2::client_behaviors::CbServiceCall::onEntry'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating a relationship or mapping between the source functions and the target function.
