

```
boost::statechart::  
event< EvStateRequestFinish  
      < StateType > >
```

The diagram illustrates an inheritance relationship. A light blue box at the top represents the base class, and a gray box at the bottom represents the derived class. A blue arrow points from the top of the gray box to the bottom of the light blue box, indicating that the derived class inherits from the base class.

```
smacc2::default_events  
::EvStateRequestFinish  
  < StateType >
```
