

```
boost::statechart::  
event< EvKeyPressS<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue arrow points upwards from the bottom of the 'cl_keyboard::EvKeyPressS' box to the bottom of the 'boost::statechart::event' box. Both boxes are divided into three horizontal sections. The top section of each box contains the class name and its template parameters. The bottom two sections are empty, representing the body of the class.

```
cl_keyboard::EvKeyPressS  
< TSource, TOrthogonal >
```
