

```
boost::statechart::  
event< EvCountdownEnd  
< TReactorType, EmptyObjectTag > >
```

The diagram illustrates a specialization relationship. A light gray box at the top represents the base template `boost::statechart::event< EvCountdownEnd< TReactorType, EmptyObjectTag > >`. A blue arrow points from a darker gray box below to the bottom center of the light gray box. The darker gray box represents the specialization `smacc2::state_reactors::EvCountdownEnd< TReactorType, TReactorTag >`. Both boxes are divided into three horizontal sections, with the top section containing the code and the bottom two sections being empty.

```
smacc2::state_reactors  
::EvCountdownEnd< TReactorType,  
TReactorTag >
```
