

```
boost::statechart::  
event< EvKeyPressE<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'boost::statechart::event< EvKeyPressE< TSource, TOrthogonal > >'. Below it is a darker gray box containing 'cl_keyboard::components::EvKeyPressE< TSource, TOrthogonal >'. Two blue arrows point upwards from the top of the darker box to the bottom of the lighter box, indicating that the lower class inherits from the upper class.

```
cl_keyboard::components  
::EvKeyPressE< TSource,  
    TOrthogonal >
```
