

cl_nav2z::CpWaypointNavigator
::sendNextGoal

```
graph LR; A[cl_nav2z::CpWaypointNavigator::sendNextGoal] --> B[cl_nav2z::Pose::toPoseMsg];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'cl_nav2z::CpWaypointNavigator' on the first line and '::sendNextGoal' on the second line. The right box is gray with a black border and contains the text 'cl_nav2z::Pose::toPoseMsg' on a single line.

cl_nav2z::Pose::toPoseMsg
