

```
boost::statechart::  
event< EvKeyPressR<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A blue arrow points from the bottom of the 'cl_keyboard::EvKeyPressR' box to the bottom of the 'boost::statechart::event<...>' box, indicating that the former inherits from the latter.

```
cl_keyboard::EvKeyPressR  
< TSource, TOrthogonal >
```
