

```
boost::statechart::  
event< EvKeyPressR<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue arrow points upwards from the bottom box to the top box, indicating that the bottom box inherits from the top box. Both boxes are divided into three horizontal sections. The top section of each box contains C++ code. The bottom box is shaded gray, while the top box is white.
