

```
boost::statechart::  
event< EvKeyPressE<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue box at the top represents the base class `boost::statechart::event< EvKeyPressE< TSource, TOrthogonal > >`. A dark gray box at the bottom represents the derived class `cl_keyboard::components::EvKeyPressE< TSource, TOrthogonal >`. A blue arrow points from the derived class box up to the base class box, indicating that the derived class inherits from the base class.

```
cl_keyboard::components  
::EvKeyPressE< TSource,  
    TOrthogonal >
```
