

```
boost::statechart::  
event< EvTransitionOnConfigure  
Failure< TSourceObject, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light gray box at the top represents the base class, and a darker gray box at the bottom represents the derived class. A blue arrow with an open triangular head points from the derived class box to the base class box, indicating that the derived class inherits from the base class.

```
cl_lifecyclenode::EvTransition  
OnConfigureFailure< TSourceObject,  
TOrthogonal >
```
