

```
boost::statechart::  
event< EvKeyPressQ<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light gray box at the top represents the base class, and a darker gray box at the bottom represents the derived class. A blue arrow points from the derived class box up to the base class box, indicating that the derived class inherits from the base class.

```
cl_keyboard::components  
::EvKeyPressQ< TSource,  
    TOrthogonal >
```
