

cl_ros2_timer::components
::CpTimerListener1::onInitialize

```
graph LR; A[cl_ros2_timer::components  
::CpTimerListener1::onInitialize] --> B[cl_ros2_timer::components  
::CpTimerListener1::onTimerTick  
Callback];
```

A diagram showing a call from the `onInitialize` method to the `onTimerTick` callback. The `onInitialize` method is in a white box on the left, and the `onTimerTick` callback is in a gray box on the right. A blue arrow points from the `onInitialize` box to the `onTimerTick` box.
