

```
boost::statechart::  
event< EvKeyPressW<  
    TSource, TOrthogonal > >
```

The diagram shows two class boxes. The top box is white with a black border and contains the text 'boost::statechart::event< EvKeyPressW< TSource, TOrthogonal > >'. The bottom box is gray with a black border and contains the text 'cl_keyboard::components::EvKeyPressW< TSource, TOrthogonal >'. A blue arrow with a hollow triangular head points from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
cl_keyboard::components  
::EvKeyPressW< TSource,  
    TOrthogonal >
```
