

```
boost::statechart::  
event< EvKeyPressF<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the top of the light blue box to the bottom of the white box, indicating that the derived class inherits from the base class.

```
cl_keyboard::components  
::EvKeyPressF< TSource,  
    TOrthogonal >
```
