

```
smacc2::client_bases  
::SmaccActionClientBase  
::onStateOrthogonalAllocation
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of C++ code. The right box is gray with a black border and contains three lines of C++ code, with the last line indented. The blue arrow points from the right side of the first box to the left side of the second box.

```
