

```
boost::statechart::  
event< EvKeyPressS<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow with a hollow triangular head points from the base class box to the derived class box, indicating that the derived class inherits from the base class.

```
cl_keyboard::components  
::EvKeyPressS< TSource,  
    TOrthogonal >
```
