

```
boost::statechart::  
event< EvKeyPressR<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A light blue box at the bottom represents the base class, and a white box at the top represents the derived class. A light blue arrow points from the top of the base class box to the bottom of the derived class box, indicating that the derived class inherits from the base class.

```
cl_keyboard::EvKeyPressR  
< TSource, TOrthogonal >
```
