

```
boost::statechart::  
event< EvKeyPressP<  
    TSource, TOrthogonal > >
```

The diagram illustrates an inheritance relationship. A blue arrow points from the bottom class to the top class. The top class is a white box with a black border, and the bottom class is a gray box with a black border. Both boxes are divided into three horizontal sections. The top section of each box contains the class name and its template parameters. The bottom two sections are empty.
