```

The diagram illustrates a function call and its return value. A grey box on the left contains the text 'smacc2::introspection::SmaccEventInfo::getEventTypeName'. A straight blue arrow points from this box to a white box on the right. The white box contains the text 'smacc2::introspection::demangleSymbol'. A curved blue arrow originates from the top of the white box and points back to itself, indicating a self-call or a return value that is then used in a subsequent operation.
