The diagram illustrates the include relationships for the `smacc2` library. At the top, a box represents the header `smacc2/include/smacc2/smacc_signal.hpp`. Two blue arrows originate from this box and point downwards to two separate boxes. The left box represents `boost/any.hpp` and the right box represents `boost/signals2/signal.hpp`. This indicates that `smacc2/smacc_signal.hpp` includes both `boost/any.hpp` and `boost/signals2/signal.hpp`.
